ABOUT NORTHERN VIRGINIA GATEWAY

Northern Virginia Gateway is located off I-95 less than an hour to Washington DC and Richmond, Virginia, adjacent to Stafford Regional Airport. The project is located within a day's drive of 60% of the U.S. population and is near the Port of Virginia, the third largest port on the East Coast and fastest growing port in the United States. Virginia is the northern-most Right-to-Work state along the East Coast, and Stafford County has strong manufacturing workforce demographics.

In partnership with Peterson Companies, Stafford County formally eliminated tax rates for manufacturing operations to attract more of these businesses. (No Gross Revenues Tax or tax on machinery or tools)

The project includes three phases of industrial development.

- Phase 1 (630,000 SF) 100% Leased & Occupied (Amazon)
- **Phase 2 (559,480 SF) Available Immediately (lease or sale, sub-dividable)**
- Phase 3 (530,000 SF) Under Construction (O'Reilly Auto Parts)

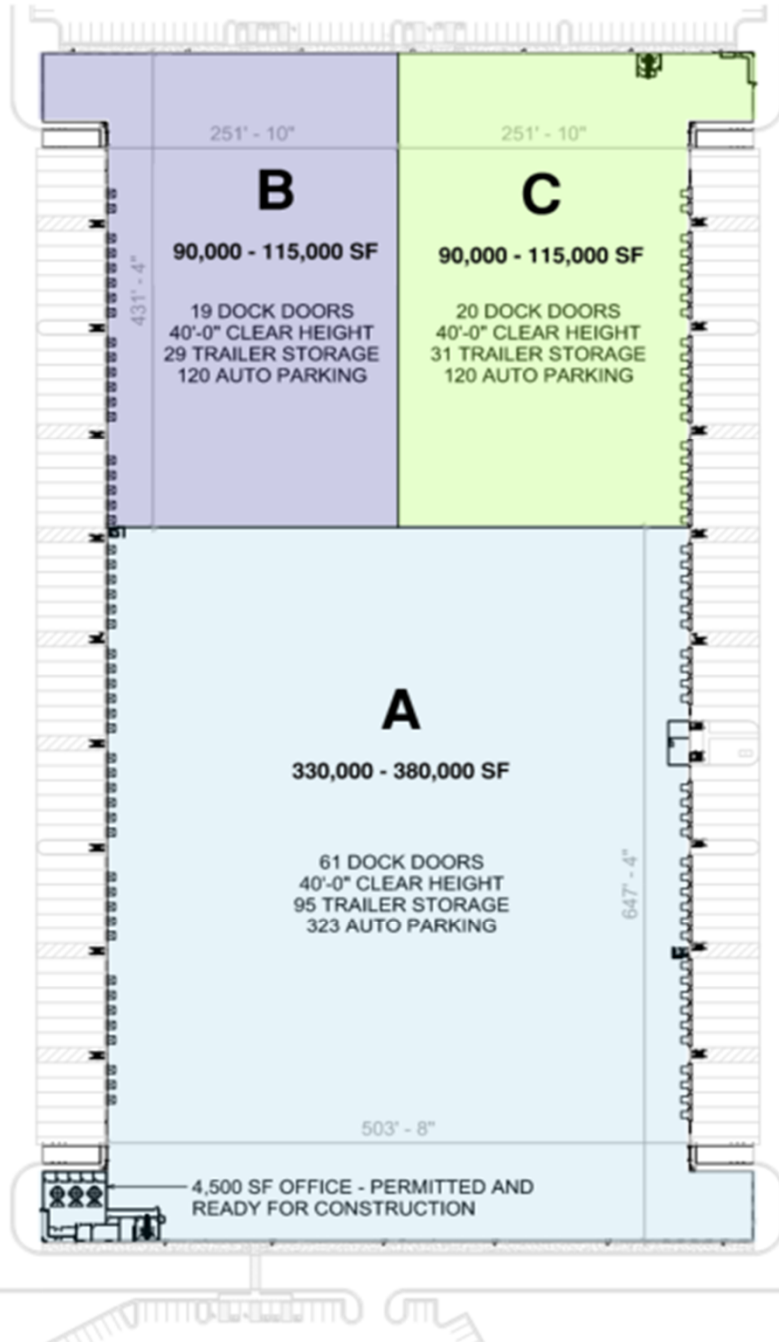

This Grade A+ development offers trophy-quality tilt-wall construction, 40' clear heights, and heavy utilities, making the development "incredibly desirable" for the next generation of manufacturing occupiers. Enhanced wet utilities are available with options for green energy. 4MW is available today, 15MW is available in Q4 2025 and 60MW is available in 2027 from an approved Dominion substation.

PROPERTY DESCRIPTION

PARCEL ID:	37 39; Alternate ID/PIN: 23626
ZONING:	M1
SITE AREA (ACRES):	36
SCHEDULED DELIVERY:	Warm Lit Shell Complete
DEVELOPER:	The Peterson Companies
RENTABLE BUILDING AREA:	559,480 SF
STRUCTURE:	Tilt-up concrete
DIMENSIONS:	+/- 505' X +/- 1,080' (4) bump outs at +/- 55' X +/- 64'
CONFIGURATION:	Cross Dock
CLEAR HEIGHT:	40'
COLUMN SPACING:	54' x 48' with 60' speed bays
AUTO PARKING:	564 spaces (including 14ADA)
LOADING DOCKS:	(100) exterior dock doors; (50) Dock positions with premium dockpackages (4) drive-in doors (12' x 14'), (12)knockout panels for future dock doorlocations.
TRUCK STORAGE:	156 Spaces
ROOF:	60-mil mechanically fastened TPO membrane
FLOOR:	8" thick unreinforced
FIRE PROTECTION:	ESFR
INTERIOR LIGHTS:	LED High Bay Fixtures with motion sensors (1 per bay)
EXTERIOR LIGHTING:	Beacon Viper LED (400 watt)
ELECTRICAL:	(1) 5,000-amp service, 480/277-volts, three phase (4MW available today, 15MW available in 2025 and 60MW in 2027)
SOLAR:	Rooftop solar array option available / 100% green energy available through Dominion

DEMISING PLAN

Customizable Space to Match Operational Needs

Demising Options:

- Space A
 - 330,000 – 380,000 SF Cross-Dock
 - 4,500 SF Office permitted and ready for construction
 - Future expansion capability
 - Ample parking
- Space B & C
 - 90,000 – 115,000 SF Front Loaded
 - Future expansion capability
 - Ample parking

STAFFORD COUNTY – STRONG INCENTIVES AND WORKFORCE DEMOGRAPHICS

INCENTIVES

PETERSON COMPANIES®

DEVELOPER OVERVIEW: PETERSON COMPANIES

Peterson Companies is one of the largest privately-owned real estate development companies in the Washington, DC region.

Founded by Milt Peterson nearly 60 years ago, the company has created some of the most prominent and successful mixed-use, residential, industrial and office developments in Northern Virginia and Maryland including: Virginia Gateway, National Harbor, Downtown Silver Spring, Rio Washingtonian Center, Fairfax Corner, Fair Lakes, Burke Centre and Tysons McLean Office Park. Peterson Companies' belief in responsible land use is a core value and they have developed thousands of acres of wetlands, utilized cutting-edge solar technology and achieved LEED certification on many of our buildings.

Peterson Companies offers a fully integrated real estate platform with in-house expertise on all aspects of land-use and development including land acquisition, planning and zoning, design and construction, property management, leasing and asset management.
